

## **White Oak Golden Retriever Puppy Guarantee**

White Oak Golden Retrievers guarantees our puppies to be healthy at the time of the sale/delivery/pickup. This guarantee does not apply to adult dogs and/or rescued Goldens that we offer from time to time.

White Oak Golden Retrievers has done everything we feel is necessary to produce healthy puppies. All appropriate vaccinations and worming have been given at appropriate times and a record of such will be given to buyer and, in addition, puppies are checked by a veterinarian before delivery to new owners. Puppies that are shipped will come with a West Virginia Health Certificate signed by our vet.

New puppy owners are required to have puppy seen by a licensed veterinarian within 72 hours of pick-up. During initial exam should your veterinarian find the puppy to be a poor health risk or detect any physical health problem that would require further veterinary care (other than the required vaccinations and/or treatment for any type of parasites, bacteria, internal or external) you must contact seller within 24 hours. A diagnosis of coccidia, giardia, parasites, or any other type of bacterial infections does not render your puppy unhealthy. This guarantee does not include; undescended testicles, uneven bites, inguinal or umbilical hernias, coccidia (common in puppies), allergies, thyroid dysfunction, giardia, bacterial infections, and other autoimmune disorders. Failure to contact White Oak will result in the cancellation of this guarantee stated herein.

White Oak Golden Retrievers guarantees puppy up to one year of age (from time of pick-up or delivery) of any genetic condition that adversely affects the quality of life as a family pet in which case the puppy/dog must have a veterinarian confirmation. A copy of x-ray and/or test results must be sent to White Oak Golden Retrievers Kennel. A Licensed veterinarian confirmation must state that he/she feels that the condition is congenital and not the result of an injury due to over exertion, abuse, poor diet, overweight and/or inappropriate vaccines, in which case the puppy must be returned to White Oak Golden Retrievers Kennel at the owners expense. There are NO EXCEPTIONS.

After all the information has been gathered from the aforementioned sources and the puppy is returned to White Oak Golden Retrievers, the puppy will be treated as our own and will be checked by our own veterinarian and it will be determined if a replacement puppy will be given. We will not allow a puppy/dog to be in pain. Necessary decisions will be made whether the puppy has to be put to sleep or can live life here on the farm or can be adopted and live a normal life with another family. Our guarantee is a replacement puppy and NOT a money back guarantee. Only one replacement puppy is given. There are no exceptions. All items covered under this guarantee are by replacement only. NO CASH REFUNDS. If replacement puppy is deemed warranted, puppy will be replaced when a suitable puppy of the same quality when one becomes available and will be chosen by White Oak Golden Retrievers. White Oak Golden Retrievers will not be responsible for any medical expenses incurred. If for any reason buyer refuses replacement puppy and/or refuses to return puppy to White Oak Golden Retrievers under any reason or circumstance, then this agreement shall be considered completed and fulfilled and no other replacement puppy will be offered. Buyer understands that any monies paid to seller will be forfeited, and there are no cash refunds.
